Features that indulge your desire for adventure.

KITCHEN

Whether you're in camp or want to stop along the way for a quick cuppa - the swingout kitchen is easy to access and use anywhere, any time. Set-up and pack-up in a flash with this streamlined, functional design.

WATER

When you take a run off-road in the Deluxe, you won't run dry any time soon. The 60ltr underbody water tank is plumbed direct to the kitchen, and ready to handle all your drinking, cooking and cleaning needs.

SPACE

Camping never felt so comfortable as it does in this roomy, well-appointed and well ventilated beauty. Kids, toys, pets ... no problem. It easily accommodates the whole family.

SUSPENSION

Rocks, ridges or rivers - bring it on. The Off-Road 9 Leaf Shackle with rebound spring offers inbuilt suspension rate variability, to compensate for different loads and conditions.
