

the JCT-X-R15

THE NEXT BIG THING IN CAMPING

GEARED TO GIVE EVERY ADVENTURE THE X-FACTOR

Are you ready for a radical change? The revolutionary JCT-X-R15 is here and it's a clarion call for explorers, adventurers and freedom seekers who want MORE than your average camping experience. The X-R15 gives you much more ... more room and easier access, a more balanced and steady ride, and more to love. Johnno's remarkable X-R15 is a triumph in camper trailer design, comfort and quality - with the power to raise the excitement stakes in camping pleasure. Once you've seen it you'll be powerless to resist!

Proudly Australian made *by campers for campers*

www.campertrailer.com.au

You'll be spoilt for features that are sure to eXcite.

KITCHEN

This dream kitchen takes all the hard work out of camp cooking. Turning out tasty meals is hardly a challenge, with top notch facilities that include a Sovereign BBQ, wok burner and easy to clean stainless steel bench and storage space.

STORAGE

The nose cone with MAX TRAX provides max space for tools and supplies. Plus a storage box included with a hot water system and two 60ltr underbody water tanks with bash plates, really lets you splash out.

STABILITY

Independent coil suspension with shock absorbers help keep all wheels on the road and provides a smoother, more secure ride for your family. A surefire way to put your mind at ease.

COMFORT

You can't beat the bed step walk-up section to give you added ease and convenience. Or for really sweet dreams, why not spring for an upgrade to an innerspring mattress fit for a queen.
